SCHOOL SONG

Petersburg High, our native school
To you we pledge our devotion.
For the Red and Black, our loyalty
Is boundless as the ocean.

REFRAIN

Dear old High School, we are with you,
Strong and true,

Unite our memories dear,
And remain with us forever more
Throughout all the years.

Petersburg High we'll look with pride
To our efforts and endeavor.
Let Fortune take us where it may,
Our High School we shall honor.

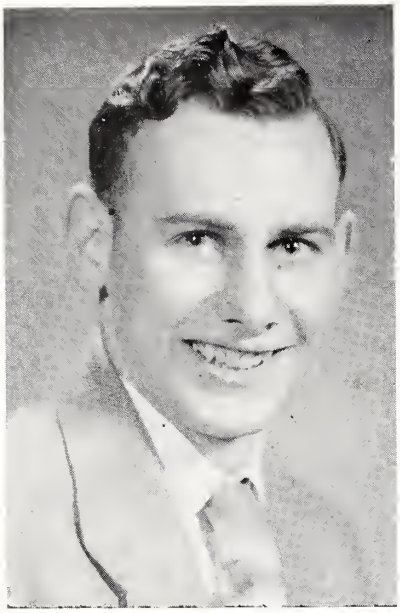
IN REMEMBRANCE

The Senior Class wishes to honor Miss Ethel Schwab, former third grade teacher. Her death was truly a great loss to the St. Petersburg-Richland Township School. She was a thoughtful person and an excellent teacher. A more loyal and sincere friend never lived. She remembered the children of the school in her will by providing money for a merry-go-round and a see-saw. Kind thoughts linger in the memories of her former pupils.

Presenting
"The Seniors"



THOMAS B. BLACK . . . "Blackie"

Tom Black, who hangs his hat half way between St. Pete. and Emlenton, is one of the wittiest members of our class. Although Tom has only been with us for one year he was voted "boy of the month" from the Senior class.

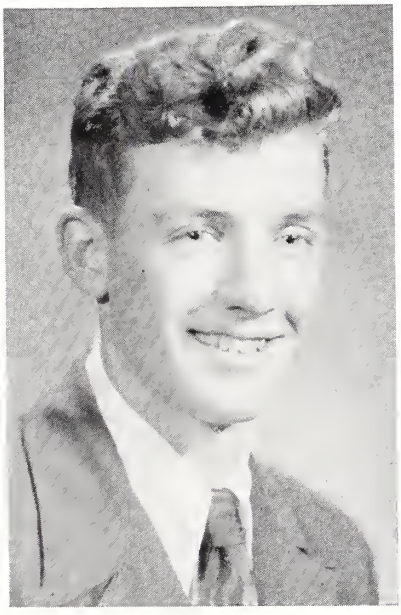
Tom is a gay, mischievous lad with a smile for everyone.

He is a very fine artist and has done some outstanding work on our yearbook. Smooth sailing, Blackie. We feel certain that you will succeed.

DOROTHY AGNES CHECHAK . . "Dot"

Here's a classy little lassie who makes her home right here in St. Petersburg. Her pleasant disposition and personality plus have made her a well-liked member of our class. She has been a fine student and has excelled in many of her studies. She was very active in extra-curricular activities, having participated in both the girls' and mixed chorus for three years. Dot also had parts in our Junior and Senior plays. Both these roles were similar and our little lassie acted them well.

Dot plans to go to Pittsburgh to work in the near future. Success, to a fine class-mate.



JOHN DANIEL GRAFF . . . "Jack"

Tall, broad, and light-haired is the description of this handsome-looking chap from Turnip Hole. He has been very active in dramatics during his high school years participating in both the Junior and Senior plays and also the operetta.

With typewriters to beat up and thermometers to play with, Jack's day is completed. He is quite a "devilish critter" and provides the teachers with ample trouble. Aside from all this, Jack really is an industrious boy and we all wish him much success.

HARRY JAMES HARNISH . . "Harlo"

Harry is one of our more quiet lads who is bashful but mischievous. This likeable chap hails from here in St. Pete. He can usually be found at the skating rink. Driving new automobiles is one of his favorite pastimes.

We shall never forget Harry's excellent portra al of Mr. Graves, the undertaker, in one of our plays.

We wish you lots o' luck, Harry, in your future years.

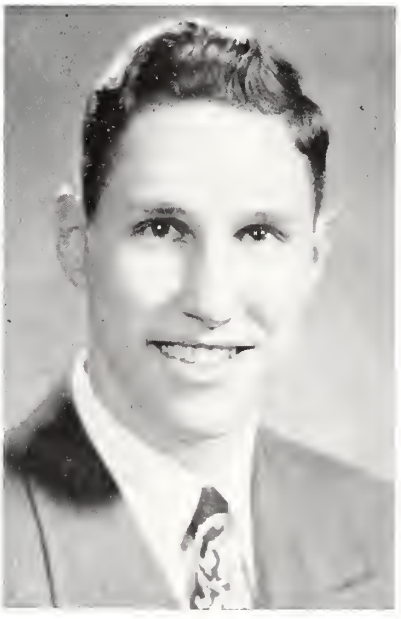
PEGGY JO HOPPER . . . "Peg"

This attractive little miss from Foxburg is the livewire of our class and her gaiety and laughter add zest to any gathering. She has been a member of the cheering squad for three years. She has taken an active part in all of our class plays and activities. She was Vice-President of the Junior Class and the treasurer for the Seniors.

Her winning personality and sincere manner have made her one of our most popular girls.

Peg most often can be seen traveling in a blue Studebaker with that handsome blonde lad from Emlenton. Isn't that so, Peg?

She also plans to travel further when she graduates. We're all wondering whether she'll take Wally with her. Well, Peg, whether you do or not: Good Luck!

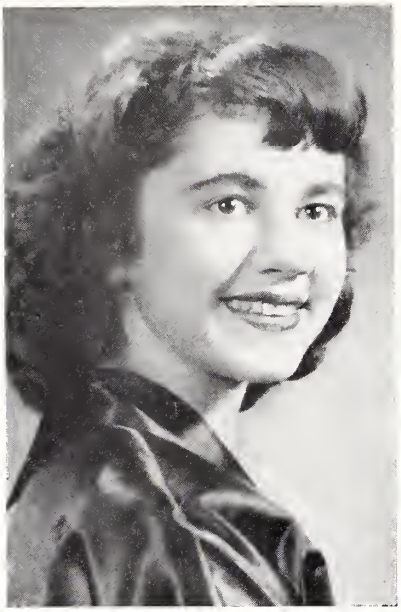


JOHN K. HALE . . . . "Haley"

This good-looking chap from good old T. C., is the tallest member of the Senior class. His shy manner touched off with his humorous wit, make him different from all his other classmates.

John's own prominent feature is his slow, easy-going walk, which often throws a scare into the students. As he ambles quietly into the room, clears his throat and says, "Now, boys," the room becomes deadly quiet.

Our baseball team wouldn't be complete without Haley behind home plate. We sincerely hope that John's life is as completely successful as was the team.

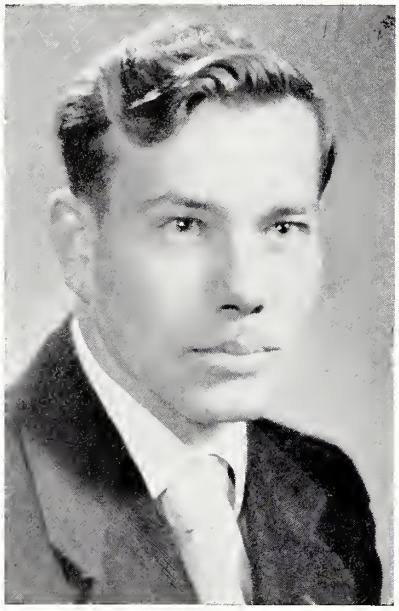


MARY ELIZABETH KETNER . . "Liz"

Mary, with her pleasant manner towards everyone, has a passion for horses. On weekends she loves to ride over the countryside on her pet horse, Ginger. She also enjoys acting, singing, and driving, but she specializes in art work. She did some very excellent work on the yearbook and plans to continue her art career after graduation.

Mary was a member of our County Chorus, and she also held the lead part of Jerry in our operetta "Jerry of Jericho Road."

As an artist, we are sure that Mary will be outstanding as a singer, she will be a success—in fact, she will do well whatever career she follows.



JAMES G. IRWIN . . . . "J. G."

J. G. is another member of our class who hails from Foxburg. He joined our class when we reached our Junior year and has been an active member since then.

Jim was one of our very excellent stage managers and had held that position for both the Junior and Senior plays.

His favorite means of conversation is by argument and he manages to stir up one at nearly every class meeting.

Jim has not made known any of his future plans but we all wish him Luck and Success.

BARBARA LEE MIMM . . . "Barb"

This pretty miss from St. Petersburg was one of the most studious and versatile of our class. She was a member of the cheerleading squad throughout her entire high school term and has been in band and orchestra for nine years. For two years she was a member of the Girl's Trio.

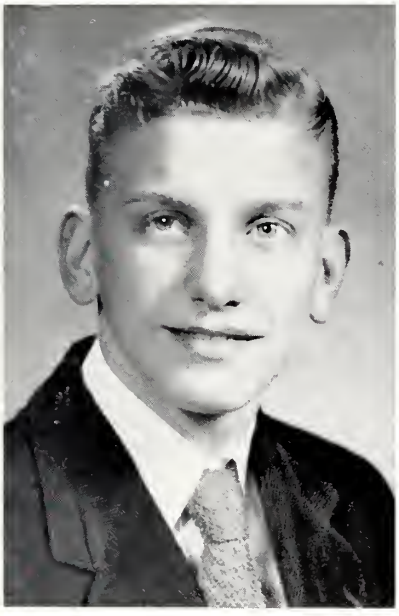
Barb plans to attend Grove City College to prepare herself for that position of secretary for some lucky employer. With your ability Barb, you are sure to succeed.

DELORES ANNE MONTGOMERY . "Monky"

Monky, the smallest student of our class, represents Foxburg. Even though she is so petite, she is still one of the peppiest Seniors.

Being a good actress and singer warranted her numerous parts in both our musical and dramatical plays. She was one of the representatives of the school to attend both County and District Chorus.

Not only in extra-curricular activities was Delores outstanding, but she also did excellent work in her scholastic studies. Along with this, she took time to edit our Senior yearbook. In whatever career she follows we are sure she will do well. Success be yours-



DONALD JAMES KUNKLE . . "Duck"

There's never a dull moment as long as "Duck" is around. His philosophy seems to be "Laugh and the world laughs with you." Thus his tricks for finding something to laugh about never cease.

One of his favorite sports being basketball has led him to play it during his four high school years. He played a very important part in helping the "Saints" to attain the title of Champs.

As Tommy in our senior play, Don made a wonderful glamour girl.

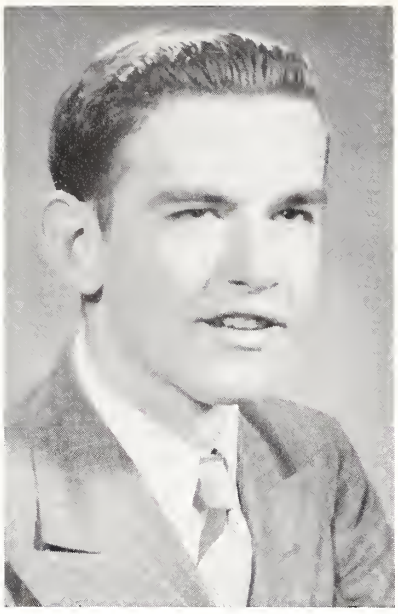
Don's future is undecided at this time, but we know that his ability to get along with all, will guarantee him success-

BETTY AVONELLE NEVEL . . "Betz"

Betty who seems to be very quiet at first glance is just the opposite when you get to know her. She is really far from being shy and quite frequently has a spasm of giggles, particularly in the sixth period.

Betty's favorite expression is "Let's play hooky" but she never done so more than once.

Betty is flirtatious and frequently enjoys the company of boys, especially Albert. No doubt Betty will make an excellent housewife and we all wish her the best of everything.



JACK F. LEAVY . . . . "Tub"

When Longfellow said: "He speaketh not; and yet there lies a conversation in his eyes," he must have had Jack in mind for he is definitely the most silent member of our class. In spite of his quietness, though, Jack gets into his share of trouble.

In baseball, his hitting power enables him to be the "cleanup" man. In the winter he gives the fur-bearing animals a rough time with his trapping ability.

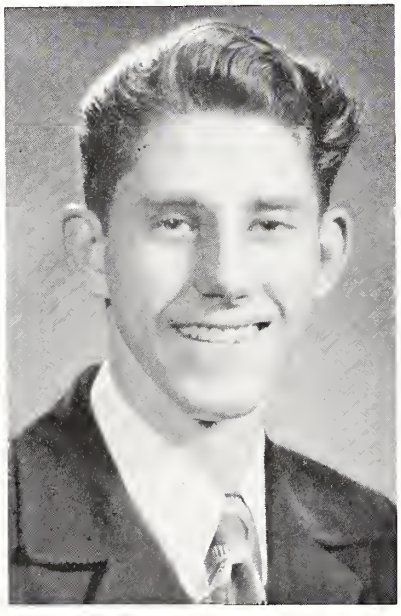
We all wish Jack the best of luck and success in his future years.

THELMA JUNE RAYBUCK . . "Thelmie"

Shy, sweet, and studious are the words that describe Thelma, our little girl from Turnip Hole. She is an excellent student and is well thought of by all the teachers and students alike.

She has a combination of blue eyes, brown hair, and a pleasing personality.

Thelmie is very neat in appearance, a great asset in helping her to secure that job in Ohio which she has long been dreaming about. Best wishes to a fellow Senior.



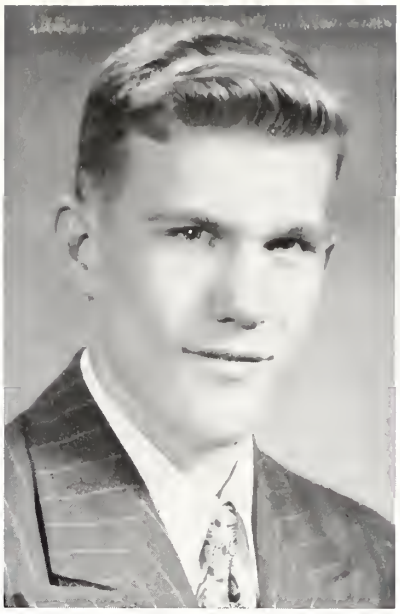
THOMAS EUGENE MARSHALL . "Tim"

Rattle! Rattle- Bang! Here comes Tim in his "Old Faithful '37 Chev." Both have been a constant help in all our class activities. Tim's position as class president for the past two years proves his popularity with the members of his class.

His mechanical ability has been a great help to Mrs. Helmintoller's typewriters.

Tim is a very mischievous lad and has probably spent as much time in school after 4:00 as he has during regular school hours. Nine to 9:05 — Here comes Tim, late as usual—Must have been his Chevy.

Tim plans to make the navy his future career. Best of luck, Tim; here's hoping you can swim.



JAMES WESLEY McCONNELL . . "Jim"

Jim is another of the quiet members of our class. He doesn't have much to say but seems to always be willing to help.

Jim also is a great asset to our baseball team and another of his favorite sports is wrestling. He can often be found wrestling in the auditorium with one of his school friends.

One of his favorite pastimes is reading western novels and he spends as much time at them as he does his lessons.

Jim took the part of Mr. Bates in our senior play and played this role of a "tough guy" very well.

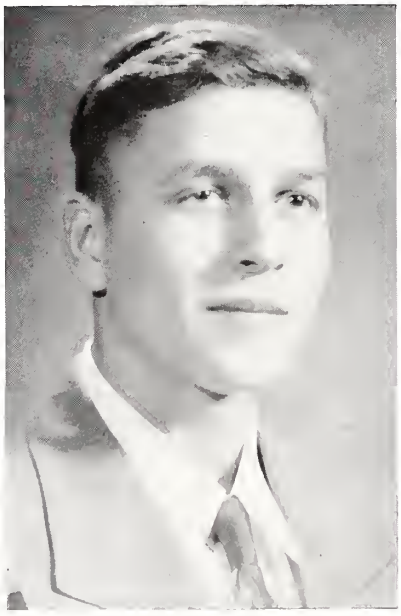
He plans to join the service upon graduation and we all wish him loads of luck.

BETTY MAXINE SHOUP . . "Shoupie"

Shoupie is a very quiet and studious girl and is well-liked by everyone. She and her clarinet have been active members of the band and orchestra for six years. She has also participated in the choruses for three years.

Betty is really a whiz at typing and shorthand and is planning to further her commercial studies at Grove City College.

We know that she will make a very fine secretary and we all wish her luck.

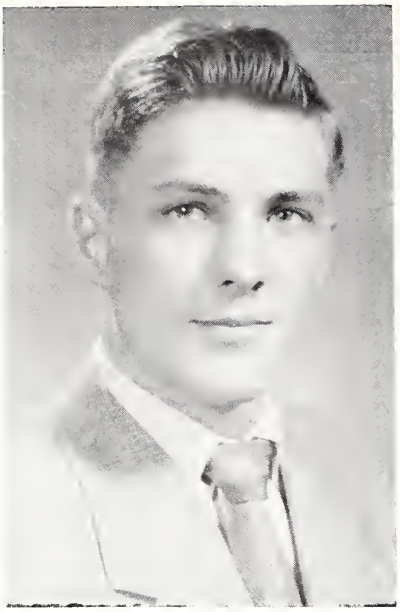


RONALD EUGENE McHENRY . . "Ron"

Ron is a quiet lad with very little to say. His quietness is the answer to a teacher's prayer. He is a very tall fellow with a pleasant smile for everyone.

Ron's favorite classes are geography and chemistry as those are the periods that he can catch "forty winks" or sometimes forty-five.

He enjoys driving a tractor on his father's farm. This will prove good practice for him as he plans to own his own farm in the future. Of course, he will have to work awhile before he realizes this ambition. Much luck to you, Ron, and may your dream come true.



FRANK EUGENE PAVLIC . . "Milo"

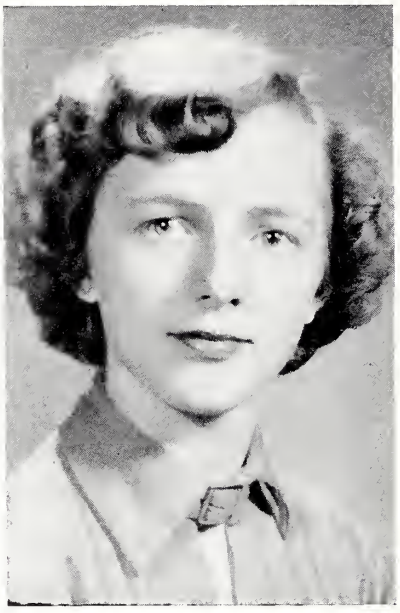
"Strong and stocky" best describes this well-built lad. In the short time he was with us, his impish manner won him many friends.

Gene was one of our star basketball players although his unfortunate injury kept him out of action for several games.

As "Elmer in our class play, Gene held one of the leads and also one of the most difficult roles.

Gene enjoys driving and sports, and is very interested in the fairer sex.

He also plans to join the navy, along with some of his classmates, and while he "sees the world" we'll all be wishing him the best of luck, always.



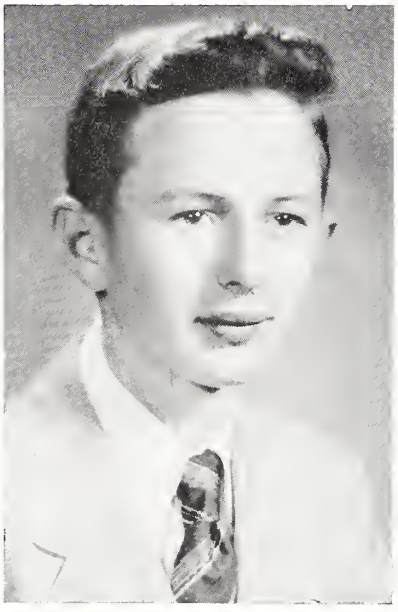
BONNIE LEE SHIREY . . . "Bonnie"

This "bonnie" lass is the energetic half of the Foxburg twins. Her blonde hair, hazel eyes, and friendly smile attract all those who look at her.

Bonnie has always shown a keen interest in all our class functions no matter what they are. She has also participated in many extra-curricular activities—she was very active in chorus; she was in our Senior class play and took the part of Julie; and she was a cheerleader for two years.

Classes could not be dull if Bonnie sat near you, as she always seemed to be telling a joke.

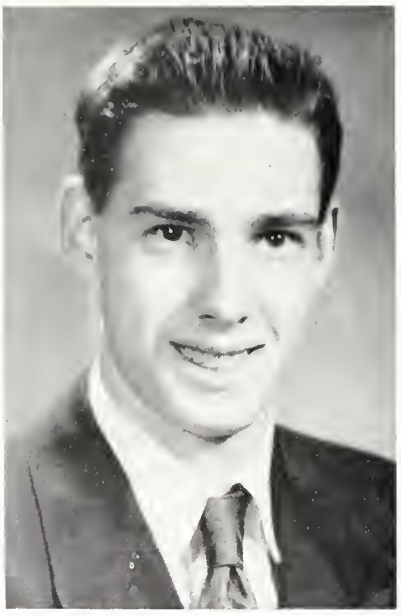
She plans to go to California after graduation in hope of finding work and love Watch out—"California, here she comes-"



CLIFFORD ANDREW PERKINS . "Sneeze"

Here is one of our good-natured, happy-go-lucky Joes who is always willing to help (especially if it means skipping a class). He is very active in music and has taken various parts in our plays and operttas.

Although Cliff does not take an active part in basketball and other sports, our cheering section would be rather dead without him. Flirting with the girls gives Cliff a lot of pleasure. Success Cliff, and may your years be long and happy.



BURTON DEAN ROE . . . "Skippy"

Dean, the Frank Sinatra of our class, resides in the town of Foxburg. He joined our class in his Sophomore year and has been an active member ever since. He has contributed greatly to our musical programs, in fact, he has entertained many people with his fine vocal ability.

Dean was a member of the basketball team for two years.

Dean is also the "Romeo" of our class. He plans to join the Coast Guard when he graduates. Our best wishes for a happy life go with you, Dean, and may you soon find your Juliet.

BEVERLY ANN SHIREY . . . "Bev"

Meet Bonnie's other half—Beverly! Bev is one of those happy-go-lucky girls whose big blue eyes are always looking for some kind of devilment. In her spare time she can be seen dancing or skating with her twin. Bev is very neat and attractive and, like Bonnie has that friendly smile.

Bev has taken part in nearly everything our class has ever done. She has been in both the Junior and Senior plays; in chorus; and on the cheerleading squad for two years.

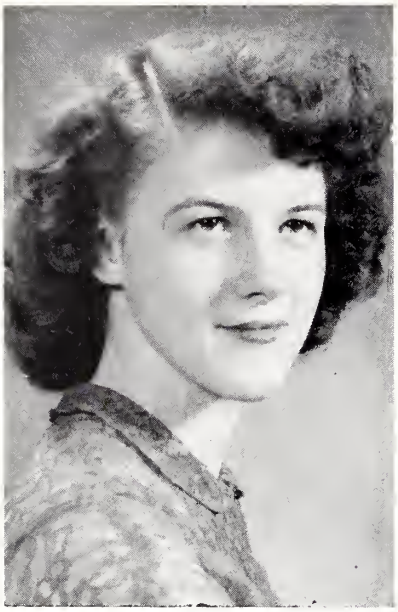
She is planning on going to California with her sister. Our best hopes for a successful future go with you.

HARRY CLAIR SHERMAN . . "Harry"

Hear that giggle? It belongs to none other than Harry Sherman, the champion giggler of the class. Even at the movies, when you hear that certain laugh, you recognize our boy, Harry. When he isn't giggling he's babbling off with some senseless oration, but yet we all feel lost without him.

Harry did an excellent job with his role as messenger boy in our Senior play.

He has no future plans but we feel certain that he will succeed. Best of luck, Harry.



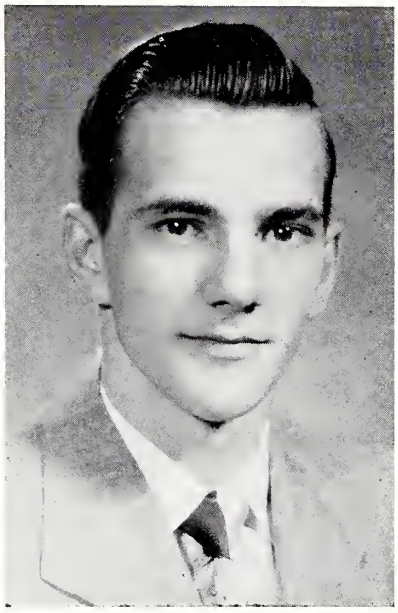
BARBARA LOUISE SHIREY . . "Barb"

No, not a triplet, just a cousin; Barb is the cute-looking girl that you have seen cheering for us at basketball games for three years.

You will always see Barb around where there is any dancing or mischief going on. In spite of this mischief, she is a very good student and an industrious girl.

She was secretary of our class for two years and treasurer for one. She took an active part in all our dramatics and class functions.

Her one and only is "Jim" and after a short career as a stenographer she will most undoubtedly make him her lifetime career. Good luck to you, Barb!



JUDD FRANKLIN WETZEL . . "Judd"

This handsome lad from T. C. has been a leader in our class both scholastically and athletically. He has starred as captain and center of our championship basketball team. He has played varsity for three years and has helped lead our team to many victories.

Judd is well-liked by all the students, particularly the girls, who usually swoon when he passes by.

He did an excellent job in his role of Herbert Stanley in the Senior class play.

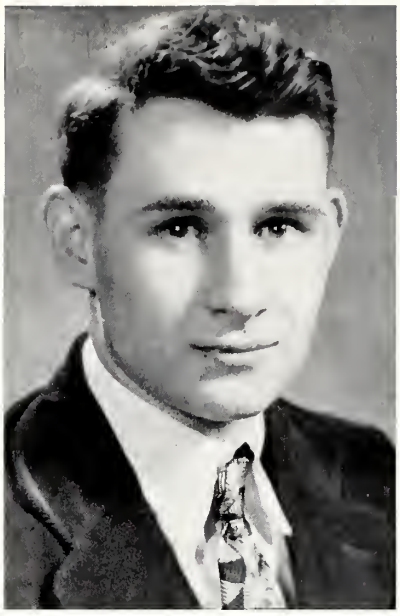
Although he is 6' 1", Judd is the baby of our class. Much success to you, Judd.

DOLORES AGNES SPIRNOCK . "Delorees"

Dolores is the mathematical whiz of our class. She concentrates on her studies and is noisy only when the mood strikes her (???). In her spare time she helps to care for her father's service station.

It will be a miracle if there is any school left after Dolores leaves as she enjoys mixing chemicals in lab period. Mr. Toy has always been afraid that someday she would succeed in demolishing the building.

Dolores's hobby is playing the accordian; her ambition, to become a doctor. Musician and Physician Spirnock, good luck to you.



DARRELL ELDEN WHITE . . "Whitey"

Quiet but quick-witted—that's Darrell. He is one of the more popular boys of the class and has been a member of the basketball squad for the past four years. Darrell shows a keen interest in station wagons and girls, the latter being his favorite of course. During his last year at school he has turned out to be quite a ladies' man. How about it, Whitey.

Another of his interests is skating and he spends much time at Hilltop Roller Rink. Darrell hasn't quite made up his mind about the future, but he is contemplating joining the navy. We wish you lots of luck Darrell, in whatever field you choose.

On September 6, 1950, a new class of eleven girls and eighteen boys entered the Freshman Class of St. Petersburg High School. Some of them were bold, some timid, but nevertheless, all were proud of their new position.

The Freshman cheerleader for the year was Donna Burrell. The class also contributed four basketball players to the J. V. team: Jack Lowers, Terry Nevel, Ralph Logue, and John Preston.

During this year they had two bake sales on which they made out very nicely.

They also contributed four members of their class to the band and orchestra.

Their class officers were:

VICE PRESIDENT ..... DICK KONKLE

SECRETARY ..... BLAKE NEELY

TREASURER ..... JOHN PRESTON

CLASS HISTORY

At last our dream had come true; four years ago we entered the portals of S. P. H. S. as little Freshmen. We were so confused at the new ways that things were being done that many of us wished we were back in grade school. But under the kind supervision of Mrs. Wilson, then Miss Borger, we began to understand and even like our high school days. At our first meeting our class officers were elected.

President ..... Patrick Maier
Vice President .....Donald Kunkle
Secretary ..... Judd Wetzel
Treasurer ..... John Marshall
Sgt.-at-arms .. Rob't Shoup, Delores Montgomery

Two skating parties were held by our Freshmen class and we ended the year by having a class party in the high school auditorium.

Time Marches On! Our Sophomore year had begun. Here we were under the supervision of Miss Colonna with 28 members.

President ..... Dorothy Chechak
Vice President ..... Thelma Raybuck
Secretary ..... Bonnie Shirey
Treasurer ..... Barbara Shirey

The class had two successful skating parties and a class party at Christmas. The Wig and Mask Club presented several plays under the direction of Miss Borger (Mrs. Wilson).

The river of time took us into our Junior year. It began with the election of officers again.

President ..... Thomas Marshall
Vice President ..... Peggy Hopper
Secretary ..... Barbara Shirey
Treasurer ..... Barbara Mimm

Our activities for the year included two candy sales, a skating party, a stationery sale, and a bake sale. Our class rings were chosen and sent for. They arrived on Friday, December 23, just in time for Christmas.

Then came the big night, May 19, the night of the banquet and prom with Fritz Waldron's orchestra playing. Everyone had a good time.

Our Junior play, "Mountain Justice," under the direction of Mrs. Wilson was a howling success.

President ..... Thomas Marshall
Vice President ..... Judd Wetzel
Secretary ..... Barbara Shirey
Treasurer ..... Peggy Hopper

At last—Our Senior year. Final officers were elected.

We worked hard this year and still had a lot of fun. At the beginning of the year we had a magazine campaign which was a great success. An operetta was produced by Mrs. McGinnis in November in which many Seniors took part.

Our Senior play was picked and characters were chosen. It was produced under the direction of Mr. McElhatten and presented on April 27th. It was very successful and well liked by everyone.

The Juniors honored us with the banquet and prom on May 11, which we all enjoyed immensely.

On May 17, 18 and 19th, sixteen Seniors had an enjoyable trip to Washington, D. C.. where they saw many historic places.

We held our Baccalaureate services on the night of May 27th in the high school auditorium. Commencement was on May 29th, bringing to a close our high school years.

CLASS PROPHECY

THROUGH THE LOOKING GLASS

We sit comfortably relaxed in our easy chairs tonight, June 6, 1963, watching television. Our favorite news program is coming on—"On-the-Spot Telecasts from Various Parts of the World." Suddenly we sit up with a start as the announcer says, "The people of St. Petersburg and surrounding communities in Pennsylvania should be most interested in this telecast. Now, on with the program." As we watch the scenes shift, this is what we see and hear:

At the Metropolitan Opera Company the performance is just over, and the applause is deafening. On stage steps the charming leading lady of "Carmen" for another encore. Why, it's Mary Ketner! She has reached her goal as a singer, and furthermore, will soon be married to a dashing young operatic tenor.

As we admire the beautiful scenery of Hawaii, a familiar face comes into view. Captain James McConnell, on short leave from a near-by army base, lies sleeping under a palm tree. The grin on his face indicates that his dream is of those pretty hula girls.

What beautiful farm land. Why, that's Turnip Hole! Here comes the farmer with a little boy toddling along beside him. The little fellow, Ronnie certainly resembles his father, Ron McHenry. They have just been to the barn to see the little twin calves. Mr. McHenry says that with production like that, "McHenry Acres" will soon have the largest dairy herd in the state.

A family dressed in snappy cow-country clothes ride along a Texas trail. We recognize them as Mr. and Mrs. Wally Nulph and family. The former Peggy Hopper beams proudly at her husband. They are now the owners of a large cattle and horse ranch which they often survey on horseback or in their own private plane. The Nulphs have settled down from traveling for the time being to rear their family—four lovely children.

The crowd goes wild! The Pirate player has just hit a homer with two fellows on base! That makes the Pirate score 14 against 6 for the Cardinals. The Bucs are now a sure bet for the World Series. With a smile, "Slugger" Wetzel comes trotting across home plate. Ralph Kiner, now a coach for the Pirates shakes Judd's hand and says, "You'll beat my record yet if you keep up."

The former Barbara Shirey smiles as her husband, Jim, picks up little Cathy; then she walks to the desk and the typewriter. Barb often helps Jim out by doing some of his typing at home in the evenings, and so her talent goes unwasted. She finishes the typing and rejoins her husband and daughter. In their neat living room they present a perfect picture of a happy family.

In a New York office, Delores Montgomery sits at her typewriter, putting the finishing touches on her latest novel, "The Adventures of Milo." This is a sequel to her first book which is now on the best-seller list. Delores is happy over a telegram she received this morning from Seceil Von Barrymore, the famous producer from Twentieth-Metro-Mayer Studios, concerning her best-seller, "Lost Love."

A slim young model attired in a lovely white evening gown poses for a magazine photographer. The model uses the name Kandy Kane in her profession, but we know her as Miss Beverly Shirey. We have often seen her

pictures on the covers of such famous magazines as "Vogue" and "Charm." In the near future she'll begin modeling regularly on TV.

Betty Shoup, champion typist of 1963, has just finished her speed practices for today. We hear the toot of a car horn, and Betty races to the kitchen, where she picks up a picnic basket. She hurries out to the car to join her fiance. They head toward the picnic grounds for a wonderful afternoon. Betty says she will soon give up her typing to become a Mrs.

This looks exciting—it's an expedition into the wild unexplored country of the upper Amazon River. Just look who the leader of the expedition is —Dorothy Chechak. She used to be so afraid of snakes, and look at the places to which she travels now. On this trip Dorothy and her group plan to capture rare snakes for Mr. Toy's collection. Good hunting, Dot!

Back in our High School days Bonnie Shirey used to sing, "California, here I come," and now we see that her dream has come true. She is personal secretary to Farley Granger and she says that she thinks her work is wonderful. Who wouldn't—just look at that boss!

"Robspiere! Robspiere! Come in and wash up before Daddy comes home," calls a voice from within a little white bungalow. A few minutes later, as a 1963 Chevy pulls to a stop out front, the little boy and his mother come to the door to greet the father. Now we see who the lady is—Mrs. Albert Davenport, the former Betty Nevel. Life seems to be treating her well.

A flashy new Cadillac pulls to a stop and the chauffeur gets out to open the door for his passenger. The passenger, Jack Graff, steel tycoon, steps out and starts up the walk to his beautiful Victorian-styled home. He sees his pretty wife, Betty, in their lovely flower garden, and rushes to greet her. Nice life.

The secretary in this man's office certainly seems to be efficient. Right now she is busily taking shorthand. She glances up as her boss pauses, and we recognize Barbara Mimm. We are not surprised to find that Barb is a private secretary, for that was her desire back in our school days.

Gosh, that's St. Petersburg High School we see on the screen, and that's our old Senior home room they've switched to now. Oh, no, not a geometry class—we left that behind over 10 years ago. That teacher—why, it's Clifford Perkins. Clifford says he became the Math teacher when Mr. Toy resigned two years ago.

A trim young waitress stands by the table of Harry S. Truman, former president of the U. S., waiting for his order. Thelma Raybuck smiles as she recognizes him. Thelma was one of the quieter girls of our Senior class back in 1951, but now she serves many famous people in one of the largest restaurants in the country.

Here we see two fellows talking; the one looks quite proper and stiff. He is Harry Harnish. We hear him saying, "You know, my friends, people are simply dying to get business with me. They know I'll be the last person to throw dirt in their face." As you've probably guessed, Harry is an undertaker.

Is that really Tom Marshall behind all that grease and dirt? Must be—the sign on the building says "Marshall Garage." "Just working on another Chevie," says Tom, "sure got a lot of experience back in my high school

days keeping that '37 of mine together." Tom points to his present car, a sleek blue 1963—Chevie, of course.

Hear that giggle? Without looking we know who this fellow is—Harry Sherman. Sam Spade's fame has faded since Harry became a detective. "Happy Harry" as he is called, tracked down an average of three criminals a day. Crooks gladly give themselves up if they think this sleuth is on their trail. Harry's famous trademark is—that giggle!

Don't tell me we didn't recognize this fellow in that Pittsburgh-St. Louis game. Of course, he did have a catcher's mask on. Now with his mask off though, we see who it is—John Hale. "Haley" was signed up by the Pirates in 1957 and is still going strong. I still don't understand why they hide such a handsome guy behind all that equipment.

"Ah, what a beautiful shape—and those limbs are perfect. Such a sight is refreshing to my eyes," remarks Jim Irwin, notable tree surgeon. Jim's work with trees stems from his interest in limbs back in his high school days. Never thought, though, that that interest would branch out int othis.

Oh, boy, a short from Don Kunkle Show"! That's my favorite television program. If you thought that old-timer, Bob Hope, used to be funny, you should hear and see Don. His show was voted the most popular of 1962, and no wonder. His success will no doubt last for a good many years.

A wedding—gosh, who's tying the knot now? As the groom turns to kiss his bride, we see he is Gene Pavlic. Oh, yes, I remember reading about the wedding plans in the paper. Gene's bride is the former Lady Eunice Vanderfall, wealthy socialite of New York. We wish them a lot of happiness.

That music—it sounds familiar. Why, it's the theme song for Darrell White's show. And that's Darrell's son practicing it, with his musician father as his teacher. Never thought Darrell's trombone playing back in his school days would lead him to so much success. Even then, though, his playing sounded as good as Tommy Dorsey's.

Gee, look at the smiles on the faces of everyone in that hospital. Wonder what happened. A lady doctor comes down the hall—it's Dr. Dolores Spirnock! Her grin is the biggest of all. "I've just delivered a set of quadruplets—the first in the history of this hospital." exclaims Doctor Spirnock, "can you believe it?"

"And so, my friends, if I am elected governor of this great state, I will fulfill all my promises to you." Good, we only caught the end of someone's speech. Wait till they get a close-up and we'll see who it is. Jack Leavy! It's unbelievable—but true. Jack is running for governor of Pennsylvania. And he used to say an average of two words a week in school.

Gosh, look at that handsome fellow in the Air Force uniform—it's Tom Black, or should I say, Major Thomas Black. Tom entered the service back in 1959, and has certainly come a long way since then. His main ambition is to get an officer's position in the Women's Air Force.

Dean Roe, the crooner who has replaced Bing Crosby on the popularity poll, is the next former classmate to appear on the screen. His half-hour program on Monday nights has millions of listeners, especially teenagers. His latest record, "Chicken in the Stew Pot," is a smash hit, especially in Washington, D. C.

What a delightful program! I have always wondered what became of all the members of the "Class of '51".

I hope their lives will be as successful as our peek into the future indicates.

HERE'S HOW THEY CAME OUT

ST. PETERSBURG 31 EMLENTON 22

We opened our season with a victory at Emlenton Both teams looked sluggish—no doubt due to the "big snow" which had limited practice time. Judd Wetzel's 16 points was the big difference.

ST. PETERSBURG 23 PARKER 16

We bagged victory number two at Parker in a low-scoring ball game. Gene Pavlic's 10 points took individual honors.

ST. PETERSBURG 44 CLARION 41

Our first home game resulted in St. Petersburg's first victory in the history of the school over Clarion. We led the whole way as Judd Wetzel dumped in 20 points while Bill Couchenour contributed 12.

ST. PETERSBURG 41 EMLENTON 24

The return game with Emlenton proved to be an easy conquest as our Saints raced off to a 28-8 halftime lead and then coasted in. Don Kunkle and Judd Wetzel, with 13 and 11 points respectively, paced us to our fourth straight win.

ST. PETERSBURG 41 RIMERSBURG 43

We dropped our first game at Rimersburg in a disputed contest that will be remembered for a long time. Our timer's protest that the regulation game should have ended at 41-41 was disallowed by Rimersburg and it went into the records as a Rimersburg victory. Gene Pavlic's 21 points took individual scoring honors.

ST. PETERSBURG 44 ALUMNI 29

The Saints resumed their winning ways with an easy 44-28 conquest of a good Alumni team. Don Kunkle had 16 tallies while Judd Wetzel weighed in with 10.

ST. PETERSBURG 37 CLARION LIMESTONE 25

The Saints made it six wins in seven starts as we downed Clarion-Limestone before the home crowd. Clarion-Limestone, one of the county "B" powers this year, was no match for us as we pulled away in the fourth quarter to score a surprisingly easy victory. Judd Wetzel had 12 points while Don Kunkle contributed 10.

ST. PETERSBURG 47 RIMERSBURG 38

We got sweet revenge for our only loss as we downed Rimersburg's Rams before our home crowd. The Saints clinched the game with a third quarter spurt after the score had been knotted at 23-23 at the half. Gene Pavlic had 11 points.

ST. PETERSBURG 36 KNOX 35

This was one of the most thrilling games of the year as we nipped the powerful Bottlemakers in an overtime thriller on our floor in our first league game. Judd Wetzel's foul point with seven seconds left to play sent the game into overtime. Don Kunkle's basket and another foul conversion by Wetzel in the overtime gave us the win. Judd Wetzel took scoring honors with 12 points, eight of them being foul conversions. The game was played before an over capacity crowd.

ST. PETERSBURG 35 FARMINGTON 30

We traveled to Farmington and came back with league victory number two. We led all the way though the Wolves threatened us in the last quarter. The scoring was pretty evenly divided with Judd Wetzel and Tom Leavy both getting 8 tallies.

ST. PETERSBURG 44 SLIGO 29

Our third straight league win was a surprisingly easy triumph at home over a good Sligo five. Judd Wetzel had one of his best nights of the season as he poured 24 points through the hoops; Gene Pavlic added 10.

ST. PETERSBURG 38 SHIPPENVILLE 47

We suffered our first league defeat at Shippenville. We led 18-15 at half-time, but a second half drive by the Wildcats gave them the win. The loss of Wetzel via the personal foul route in the third quarter was a tough break for us. Bill Couchenour led both teams in scoring with 14 points. The loss dropped us into second place in the league standings.

ST. PETERSBURG 51 ASHLAND 50

We returned to our own hardwood to cop league victory number four, a real thriller over Ashland. We trailed 43-36 going into the last quarter, but a sensational fourth quarter rally gave us the win. Gene Pavlic's foul point with 4 seconds left broke the 50-50 deadlock. Judd Wetzel had 19 points while Pavlic had 13.

ST. PETERSBURG 46 SALEM 17

The game at Salem proved to be one of our easiest wins of the year. Twelve players entered the scoring column as Coach Helmintoller used his entire squad in an effort to keep the score down. Judd Wetzel's 12 points was the individual high. At the half-way point in league competition we were tied with Snippenville for first with a record of five wins and one loss.

ST. PETERSBURG 49 CLARION 35

To prove that our earlier victory was no fluke we traveled to Clarion and drubbed the Bobcats easily in a non-league game. Judd Wetzel had the individual high of his career in this game as he dumped in 26 points. It was, of course, the first victory by a St. Petersburg High team on the Clarion hardwood.

ST. PETERSBURG 47 KNOX 59

We traveled to Knox and ran into a red-hot Bottlemaker five that handed us our second league loss. We lost Judd Wetzel and Gene Pavlic on fouls in the third quarter. We trailed by only 40-37 at the end of the third quarter, but Knox ran wild

in the fourth quarter to break up a tight game. Judd Wetzel had 10 points before his exit. We dropped to second place again by losing.

ST. PETERSBURG 45 FARMINGTON 28

League win number six was an easy conquest of Farmington on our own hardwood. Judd Wetzel had 12 points while Tom Leavy's spectacular set shots accounted for 11. Gene Pavlic injured his knee in this game and was lost to us for three weeks.

ST. PETERSBURG 48 SLIGO 46

We stayed within striking distance of Shippenville by bringing home a thrilling conquest of Sligo. We led most of the way, but Sligo tied the score four times in the last half to keep everyone on the edge of their seats. A basket by Ernie Koos with a minute to go furnished the victory margin. Judd Wetzel poured 22 points through the hoops on seven baskets and eight out of ten fouls. Don Kunkle added 12 tallies.

ST. PETERSBURG 45 SHIPPENVILLE 41

This was the one we had to win, and win it we did- The game wasn't as close as the score would indicate as we had a comfortable lead most of the way before Shippenville got "hot" in the last two minutes to pull within four points. Judd Wetzel and Bill Counchneour paced the scoring with 13 and 12 points respectively as we moved back into a first place tie with the defeated Wildcats. Another over capacity crowd watched this game.

ST. PETERSBURG 43 ASHLAND 41

While Shippenville was losing at Knox we were scoring a close win over the Ashland Whiz Kids on the Salem floor. Tom Leavy's one-hander from twenty feet out with a half a minute to go broke a 41-41 deadlock and gave us the win. Tom had 11 points while Don Kunkle had 10. The victory boosted us into undisputed possession of first place with but one game to go.

ST. PETERSBURG 62 SALEM 28

A large crowd was on hand to see us officially win the coveted Clarion County Class "C" title with an easy win over the last place Salem five. Thirteen players saw action for the Saints with ten of them scoring. Don Kunkle had his best night of the year as he dumped in 21 points while Judd Wetzel added 10. The win gave us a league record of ten wins and two defeats while second-place Shippenville had a nine and three mark.

ST. PETERSBURG 54 PARKER 32

This one was our twelfth straight win on the home floor this year without a defeat. The easy conquest gave us a regular season record of nineteen wins and three losses. We also used thirteen players in this one with ten of them again entering the scoring column. Bill Counchenour and Judd Wetzel had 12 and 10 points respectively.

ST. PETERSBURG 40 SIGEL 28

(District IX-Class "C" PIAA play-off game)

A large crowd was on hand at the Clarion State Teachers College gym to see our Saints advance in District IX-PIAA competition by trimming Sigel High, Jefferson County Class "C" champs, by a 40-28 score. The first half was fairly close as we led by only 16-12, but a third quarter rally that netted us 18 points while Sigel was getting only 6 clinched the win. Don Kunkle had five baskets in that third quarter and finished with 15 points to take individual scoring honors while Judd Wetzel added 10 tallies before going out on fouls in the last quarter.

ST. PETERSBURG 26 KARNS CITY 45

(District IX-PIAA semi-final game)

Another packed house was on hand, this time at the Slippery Rock State Teachers College gym, to see us reach the end of the trial in our quest for District IX honors as we bowed to the powerful Karns City High five, Butler County titlist. The Gremlins of Karns City led by only 28-20, at the three-quarter mark, but got "hot" in the final session to win going away. Poor shooting hampered our Saints in this one. Karns City was given a considerable bulge at the foul line as they shot 22 fouls while we only attempted 11. Our scoring was evenly divided with Tom Leavy and Gene Pavlic being tops with six points each.

ST. PETERSBURG 30 EAST BRADY 38

Our thirteenth home game proved to be unlucky as East Brady's Bulldogs, County "B" Champs, downed our Saints in the first of two exhibition tilts. We took an early lead, but Brady took command in the second quarter and led the rest of the way. We sorely missed Bill Couchneour who was "out" for this one. Judd's 12 points took individual scoring honors.

ST. PETERSBURG 27 EAST BRADY 45

The injury jinx really caught up with us in the exhibition series with East Brady as both Judd Wetzel and Ernie Koos weren't able to play at East Brady in this one which saw the Bulldogs win easily. It was the same story as in the two previous games —poor shooting! Gene Pavilc was high scorer with 12 tallies.

SEASON HIGHLIGHTS

Our season record was 20 wins and only 6 losses. The 20 victories was more than any St. Petersburg High team ever scored in a season's play. This was St. Petersburg's first County Championship. Judd Wetzel scored 308 points in 25 games, an all-time individual high for a St. Petersburg player—a mark for future Saints to shoot at. At the end of the season Tom Leavy and Bill Couchenour were selected by their teammates as next year's Varsity co-captains. The Junior Varsity squad selected Alec Robertson as their honorary captain for the past season. Alec scored 140 points in J-V competition to lead our Junior-Varsity to a season record of 12 wins and 10 losses. In the annual "B-C" All Star game in the Clarion State Teachers College gym Coach Dick Helmintoller coahced the "C's" to a 50-46 victory. Our representatives were Judd Wetzel and Don Kunkle — both gave creditable performances. Don Texter and Dick Watts acted as managers for the game. At half-time Coach Helmintoller accepted a beautiful trophy for guiding our "Saints" to the County "C" Championship.

CLASS "C"

CLARION COUNTY

CHAMPS '51

DICK HELMINTOLLER, Coach

Dick Helmintoller this year climaxed a four-year rebuilding program by leading us to our first County Championship in the history of the school. His coaching was a source of inspiration to our players. Dick gained additional honors this year when he coached the County "C" All Stars to their 50-46 victory over the County "B" All Stars in the annual Clarion County All Star game. We are all saddened by the fact that he won't be on hand to guide next year's team—a First Lieutenant in the U. S. Marine Corps Reserve, he has been ordered to active duty on June 4th. Best of luck, Coach, and hurry back!

DON TEXTER, Manager

Don, a hard working Junior, did a fine job as varsity manager this season. He, too, will be missed considerably, come next year.

JUDD WETZEL, Center, Captain

One of the outstanding players in the county this year was our captain and center, Judd Wetzel. Judd wound up his scholastic career in a blaze of glory as he set a new individual scoring record for St. Petersburg by dumping in 308 points in 25 games. In the County All Star game at Clarion Judd showed observers why he was regarded as the county's outstanding rebounder this year. His six points and spectacular rebounding contributed heavily to the "C" victory in that game. Judd will be sorely missed, come next year. Good luck, Judd-

BILL COUCHENOUR, Forward

This scrappy little forward showed the fans that you don't necessarily have to be tall to grab rebounds. Statistics showed him to be our third best rebounder though, he was our smallest varsity regular. Bill's drive and spirit gave us that edge on our opponent in many close games. A junior, Bill will be back as co-captain of next year's team.

TOM LEAVY, Guard

Although Tom is only a junior, he has played three years of varsity basketball. His smart defensive play was one of the reasons we won the championship this year. Tom will be back to spark the team next season. A deadly set shot artist, he'll co-captain next year's team.

TOM MARSHALL, Forward

Tom saw plenty of action as a varsity forward. He was called on in many games when the pressure was really "on" and always gave a creditable performance. Thus Tom, a senior, climaxed four years of determined effort by winning his varsity letter. Good luck, Tom-

DARRELL WHITE, Guard

Darrell was really a hard-luck ballplayer since sickness kept him out of many games this year. He, too, worked hard for four years to achieve his goal of a varsity letter in his senior year. Well done, Darrell!

RICHARD WATTS, Ass't Manager

Richard is another "behind the scenes" hard worker. He'll move up to the varsity manager's job next year so we know it'll be well filled.

DON KUNKLE, Forward

This was Don's second year as varsity regular A senior, Don really came through when the "chips" were down" in several important late season games. He sparked the Saints in their District IX play-off win over Sigel. He was one of our representatives in the All Star game at Clarion. He'll be sorely missed next year.

GENE PAVLIC, Guard

This is the first season Gene played for our "red and black." Having come to us from McKeesport late last season, this stocky guard who was always found in the thick of the fray sparked the Saints offense and defense. Being a senior, his all-around play will be missed when next season rolls around. Nice going, Gene!

ERNIE KOOS, Guard

Ernie, only a sophomore, was one of our most valuable players this year. Always ready for any emergency, he played every position at one time or another and was an important cog on our championship team. Ernie will be a real asset to next year's team.

TOM BLACK, Forward

This was Tom's first year with the "red and black." He came to us last fall from McKeesport where he played both basketball and football. Although Tom did not see too much action, he soon became one of our most popular players. We are sorry to say that Tom won't be back next year to strengthen the team.

DEAN ROE, Center

Dean served as a capable replacement for Judd Wetzel. His ability to get way up in the air was a big help in several games. Since Dean was a senior he'll not be back to strengthen next year's team. Best of luck, Dean!

Baseball

Our first year in the County Basketball League proved to be a highly successful one as we won the Northern Division title before bowing to Rimersburg in the game for the county championship.

Tom Leavy got a great deal of publicity in area newspapers for his feat of pitching two consecuitve no-hitters in league competition against Knox and Farmington. He pitched every game for us except the 10-0 win over Knox when Bud Jackson turned in a neat two-hitter.

Our leading hitters throughout the season were Ken King and John Preston with .429 averages while Bud Jackson hit .381 and Tom Leavy .333.

Since most of the team will be back next year we're expecting a county championship.

OPERETTA

"JERRY OF JERICHO ROAD"

An Operetta in Two Acts

Alan O'Day, a wealthy Easterner, desires the hand of Sandy Bank in marriage. In an effort to forget Sandy, Alan goes west to his ranch, which he converts into a tourist camp.

Lettice Bank, Sandy's mother, shamelessly favors the match on account of Alan's money. She takes her husband and Sandy and follows Alan, her excuse for the venture being that she wishes to live in the open to regain her health.

Geraldine, known as Jerry, fearing arrest by the police whose station she has demolished with her aunt's automobile, hires out to Alan as a helper to hide her identity.

John Drayton, Alan's cousin, wishing to locate Jerry for the purpose of buying her land for a syndicate of which he is a member, hires Hunter. When he finds that Hunter is cheating so as to get the land for himself, he discharges him.

Mimi, a friend of John, locates Jerry at the ranch. John and Jerry form an attachment for each other. Jerry is led to believe that John and Mimi are trying underhandedly to acquire her land at a profit for themselves. The next morning it is discovered that Jerry, Sandy, and Hunter have disappeared; also a Mr. Bean from Boston.

Later Sandy returns and tells that Hunter, thinking she was Jerry, forced her into his car.

When Jerry and Mr. Bean return, she announces that she has given him an option on her land until her papers arrive from home;but, if by that time oil has not been found, she intends to sell the land to Hunter at his price.

Later, when she is about to dispose of the land to Hunter, she learns that last spring a gusher had been brought in, and had been capped awaiting her decision to sell and in some way Hunter had discovered the fact. She also learns that Mr. Bean is president of John's syndicate and that Mimi is his wife and that their efforts from the first have been to protect her interests.

All ends happily as Alan and Sandy forgive and forget; and Jerry thoroughly ashamed promises never to doubt John again.

Three newly-broke college fellows buy a summer hotel and do they have a whale of a time! The audience practically laughs itself into the aisles watching the way in which the trio meet up with Old Man Adversity and polish him off with much eclat. Business was terrible— so very bad, in fact, that it became necessary to give the inn a reputation as a haven for ghosts and the hiding place for an old miser's gold. Then came the paying guests, including an old maid who believes in spiritualism, a widow, just a big bundle of nerves, a sleep-walking Romeo, his wife, suffering from fits of melancholy, his daughter with gum-chewing propensities, and a farmer bachelor who is subject to nightmares. The cockney cook, afraid of spooks, is one of the funniest characters in any play and rounding out a comedy team is Gladiola, the colored maid, and Jasper, the bell hop. One of the boys impersonates a doctor and treats the guests for all sorts of ailments. Another one assumes a female character role and plays fast and loose with many a masculine heart.

MIXED CHORUS

The choral group, under the supervision of Mrs. McGinnis, had a very successful year. The high school mixed chorus of 78 voices has sung a varied selection of sacred, classic, secular, and folk music.

From this group, Dean Roe, Barbara Mimm, Delores Montgomery, Mary Ketner, and Clifford Perkins represented our school in County Chorus at Clarion.

Clifford Perkins, our bass, also entered the Forensics at Clarion.

Barbara Mimm, Dean Roe, and Delores Montgomery were chosen to attend District Chorus at New Bethlehem on January 11, 12, and 13. The director was Earl Wilhoit, chief director of the Fred Waring Workshop.

One of the year's highlights, with the help of the chorus, was the operetta entitled, "Jerry of Jericho Road," presented at both St. Petersburg and Foxburg. Soloists were Dean Roe, Barbara Mimm, Ernest Koos, Tom McElhatten, Alec Robertson, Delores Montgomery, Mary Ketner, and Forrest Jackson. Accompanist was Donna Burrell.

With all the excellent material in view, this group ought to attain much success in the on-coming years.

BAND and ORCHESTRA

DIRECTOR: MR. FRED COLONNA

MEMBERS OF BAND AND ORCHESTRA

The band and orchestra with its 43 members under the excellent direction of Mr. Colonna presented a fine concert on May 4th and entered the County Band on May 16th. Three of its members, Ida Jackson, Barbara Mimm, and Peggy Linnon, were chosen for District Band. We wish this growing band and orchestra success in future years.
